Math

Begin Go Math Unit 1
Pretest for addition facts sums to 10
and story problems.

Standard: Represent and solve
problems involving addition and
subtraction.

We will be focusing on solving
different types of addition story
problems this week.

Reminders

Please sign up for Remind Text
Messages if you are interested.

Please sign the Daily Reflection
sheet and return on Monday.

Language Arts

Continue diagnostic assessments of
phonics skills

We will be reviewing basic letter
sounds including short vowel
sounds and digraphs (sh and soft
th, and hard th)

Learn procedures for our literacy
centers routine

We will work on writing a complete
sentence with capital letter and end
punctuation.

Continue writing work with telling
stories about things that happened
to us. We will work on generating
topic ideas and adding details to our
writing.

Character Development & Classroom Expectations

Learn about 4 Zones of Regulation
and identify feelings for each zone

Learn about classroom
expectations: Be Kind, Be
Respectful, & Be Responsible

Continue learning about and
developing our growth mindsets!

We are looking forward to a
great first full week!!!
