Thank You For Visiting My Store!  
I hope you enjoy this FREEBIE!

All of my products were created because they have been useful tools in my classroom. I teach many fabulous Firsties and I hope you find them effective and helpful in your classroom as well. Please be sure to always rate my items and leave me feedback. If you feel my product does not meet your standards, please email me at [bschinke10@gmail.com](mailto:bschinke10@gmail.com), and I'd be happy to make any necessary changes.

As a reminder, this resource was designed for personal classroom use only and should not be shared (free or sold) without my written permission.

For more products, freebies, tips and ideas come visit me
